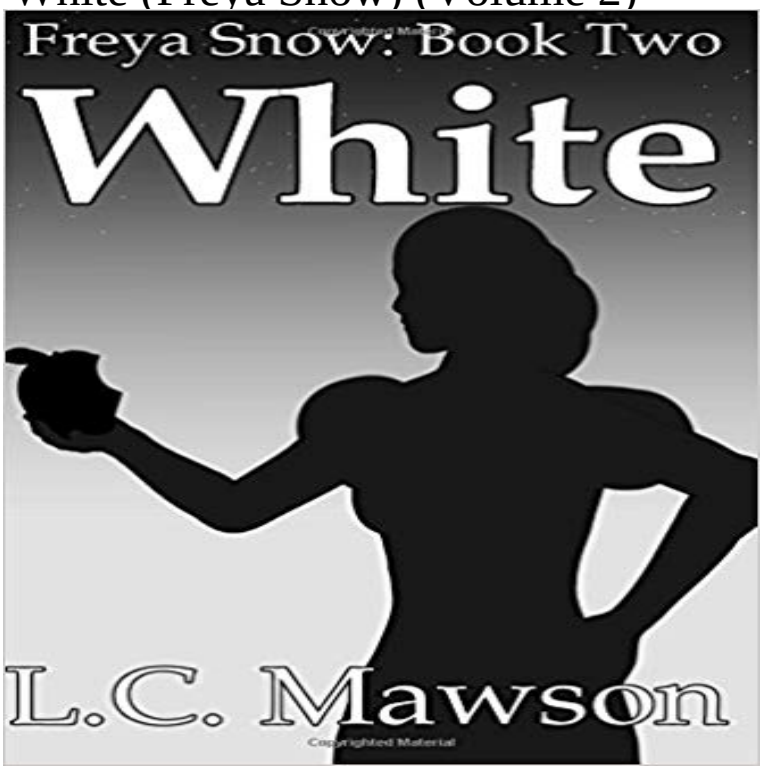
White (Freya Snow) (Volume 2)



Demons were simple. Freya could handle Demons. Fae? Not so much. Finishing her GCSEs should have been a cause for celebration for Freya Snow, the now renowned Demon hunter. Especially with her guardian promising to show her the rest of the citys magical community. But when a girl runs from prom at midnight, losing her shoe, and another pricks her finger and falls into a coma, it becomes clear that theyre acting out fairy tales. When her foster mother sends an assassin to kill her and retrieve her heart, Freya realises that shes under the curse too. And shes playing Snow White. Some day her prince may come, but Freyas not big on waiting. WHITE is the second book in the Freya Snow YA fantasy series.
