

# Working with Your Sixth Sense: Practical Ways to Develop Your Intuition

Have you ever had dreams that came true, experienced déjà vu, or felt an inexplicable attraction to someone? Consider this book your first step into a world of endless potential. The practical exercises and rituals will develop your psychic powers, and help you find ways to tap naturally into your wellspring of intuitive wisdom. Along with an enlightening explanation of how the subconscious functions and what a sixth sense is, this essential guide includes instructions for a wide variety of intuition-building techniques: meditation, self-hypnosis, mandalas, labyrinths, dream analysis, clairvoyance, remote viewing, telekinesis, aura reading, scrying and more. They're key to achieving greater self-realization and personal growth.
