

Number People: Every Person Has a Number, Only You Can Tell Its Story

Every person has a number. Our lives are marked by themevents, indelible, and personal, that change the trajectories of our lives and serve to show us, even years later, that hope can be born any day. We wear these numbers as markers, as tributes, to show when our hope was born. Each is unique to our own lives: a souvenir of survival, a testimony of faith. To own this number is to own a chance to pass it on. Its knowing that when everyone else sees four digits, you see hope, and its about birthing that hope in others. Every person has a number. Youve worn it on your heart. Only you can tell its story. Social entrepreneur, thought leader, and motivational speaker Dawn Cornelius offers a powerful new vision and challenge with Number People. By exploring the personal and professional challenges Dawn has overcome, the book will put forth that every person has a number and a story inside them that can change the world. Dawn Cornelius is the founder of the 1907 Company, a fast-growing social enterprise using commerce as a catalyst for change. Follow Dawn on Twitter @dcornelius, Facebook, and Instagram.
