

Living With Erectile Dysfunction Aint So Hard: One Mans Story

Often a man is sitting all alone, depressed, angry, cursing God, feeling inadequate as a man, taking out anger and frustrations on the ones he loves. If the reason for these emotions is a result of suffering from erectile dysfunction, then this book is a must read. The author candidly expresses his personal struggles and solutions to handling this medical condition that strikes millions of men every year. The story is written in a light, humorous, yet honest tone that offers solutions to handling this condition. When men can learn to laugh more at themselves, and understand that erectile dysfunction is manageable, we are on our way to enjoying our sex lives again.
