

Alpha Wolf Royalty: The Complete Serial Novel: An MM Gay Alpha Werewolf Mating Paranormal Romance

19 year old Max is a farm boy who desperately wants to leave the farm to achieve his dream of becoming a fashion designer. Logan is a dispossessed alpha werewolf prince who meets Max by accident, but the sexy wolf is in the middle of an explosively violent war for control of his kingdom. At first, Max is torn between his own safety and his blossoming fiery passion for the handsome prince. But soon, Max makes his choice and as a result, is caught in the crossfires of high-stakes court politics and treacherous enemies when he accompanies Logan to the Werewolf Kingdom of Lupelia, where homosexuality is the norm and not the exception. Will his passionate love for Logan see them through? Does love really conquer all? The Alpha Wolf Royalty series explores just how high a price a man is willing to pay for an all-powerful and all-consuming love. Please note: This is not your typical gay werewolf shapeshifter story. The author has bent all rules of conventional gay werewolf shapeshifter stories in order to be more inventive, imaginative and creative. He hopes you will enjoy the end result. Please note that this story contains explicit homoerotic and homosexual content and is not appropriate for readers under 18. Mature readers only. Reader discretion is advised. This work of fiction is the product of the author's imagination. Any similarities to real life characters, places and events are unintended and purely coincidental. Please further note that all characters depicted are of legal adult age. This collection consists of the entire serialized novel of the Alpha Wolf Royalty series. To purchase it as a bundle (\$8.99) would save you more money than if you purchased each story individually (\$13.99). That's like getting two stories for free! Word Count: 40,000 words
