

## I Do Ever After: Living Heart 2 Heart in Marriage

Real Love vs Fantasy Bond - Know the Difference. A marriage often begins with a bang when a couple promises resoundingly to each other, I DO! But along the way to Happily Ever After, many who once professed so passionately I DO! soon experience a change of heart. The promise of I DO gives way to I DO NOT! when life happens and the romance quickly fades. What was once a titanium bond begins a slow crack to abandon. Keeping the magic alive is possible only when two partners are living heart 2 heart in marriage. With a down-to-earth style and refreshing perspective on how to keep a marriage thriving with meaning, adventure, and romance, Dr. Clarke provides sensible advice for keeping the heart of marriage beating strong and true. I Do Ever After is a hands-on marriage resource that will inspire the married couple to keep the dream of their happily ever after alive and well.
