

## A WOMAN OF MEANS

A former Southern president gets into a beautiful woman's Jaguar on a Friday evening in New York. Two weeks later, he is found on the sidewalk in front of his office. It is 6:00 in the morning and he is nude. The word Rapist is written in red lipstick across his forehead. New York's mayor asks his best detective, Jimmy Croft, to take the case. Croft tracks the woman to Los Angeles, New Orleans, London, Oxford, and finally Paris. He finds her, but at a terrible personal price. The novel contains the reformatted text of REQUIEM FOR THE MISBEGOTTEN. It is intended only for the most mature adults who appreciate intrigue and stunning women.
