

Achieve: Find Out Who You Are, What You Really Want, And How To Make It Happen (The High Achievement Handbook) (Volume 1)

Are you unsure of your life's purpose? Are you afraid you're living below your true potential? Do you have trouble staying motivated and focused on your goals? If you answered yes to any of the above, this book is for you. Dr. Friesen pulls from his work with high achievers, his own personal experiences, and his vast knowledge and experience in the field of psychology to build you a roadmap to elite achievement. This scientifically packed and highly practical book is going to show you, step-by-step, what you need to do to make sure you're working effectively toward the dreams and goals that are right for you. Whether you're an elite athlete, entrepreneur, executive, professional, writer, or high achiever of any type, this book is for you. ACHIEVE will help you:

Learn how your unique personality is the foundation for your success. Quickly find out what's really important to you. Unleash unique strengths and passions that will be key to your success. Unveil the mission and purpose that will propel you forward. Learn how to set, and finally achieve, the right goals for you. Are you ready to take your life to the next level? If so, let's do this!
