

Way of The Magical Intelligence

ere is a great intelligence within you. This power runs every part of your life, from the automatic functions of the body, to the events and circumstances affecting your life and well being. It is the same intelligence which binds the galaxies, the planets, stars, plants, rocks, single-cell organisms, and quantum effects. It automatically runs your life and affects your ability to make choices. We call it the Magical Intelligence for the very reason that its properties are magical in nature and can be influenced by ways of focused intention while in trance. In this book we will explore the nature of this great intelligence and how to live in harmony with its laws. The purpose of this book is to help you understand and work with your own magical intelligence, and to apply the techniques to direct your lifes destiny.
