

AFTER THE GLASS SLIPPER, Wedding Edition: 8 Proven Steps to Lasting Love

THE CINDERELLA STORY MOM NEVER TOLD YOU (This Wedding Edition includes a special Introduction and provides Marriage Assurance for the newly married couple.) Cinderella and the Prince fell in love and lived happily ever after, so why cant we all have happy marriages? Written with wit and whimsy, AFTER THE GLASS SLIPPER continues the fairy tale, revealing that Cinderella and the Prince also experience marital conflicts. The royal couple becomes aware of the source of their conflicts through the assistance of their Fairy Godmother and Caring Godfather and they take specific steps to achieve marital bliss. Jon and Beverly Meyerson have helped hundreds of couples resolve conflicts, creating happy, long-term relationships. Using the metaphor of the Cinderella story, the Meyersons unique insight provides you the skills needed for a joyful and harmonious relationship with your life partner.
