

The Prophecies of Daniel Daniel received some amazingly detailed and accurate prophecies during his lifetime. He was taken to Babylon as a teenager, lived there the rest of his life and God favored him with blessings and some startling prophecies leading from his time to the end time. In this book I introduce you to Daniel and take you through the prophecies he received. The book of Daniel says that it would be sealed and not understood until near the time of the end and its being understood now. I hope you revel and get excited with the details of these prophecies and stand in awe of Gods power and majesty as evidenced by these visions. God bless.
