

Essay Towards a Theory of Apparitions (Classic Reprint)

Excerpt from Essay Towards a Theory of Apparitions When a late ingenious Physician discovered the elastic fluid, which he termed his Gas of Paradise, and which he hoped to render a cheap substitute for inebriating liquors, he claimed the honors due to the inventor of a new pleasure. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
