

## Anon.

Seventeen year old Chelsea Clark is just like every other girl at Hazelbrooke High School. Shes smart, funny, witty and charming but theres one little problem. No one knows these things about Chelsea except for her blog readers. You see, Chelsea isnt exactly the Prom Queen or captain of the cheer leading team. In fact, shes just as relevant as the ten year old stale gum on the bottom of her desk. Well, at least thats what she thinks of herself. Join Chelsea as she blogs through three and a half weeks of torn friendships, betrayal, love interests and crumbling relationships.
