

Journey with Jeremiah: Nourishment for the Wild Olive

Treat the Messiah as holy, as Lord in your hearts; while remaining always ready to give a reasoned answer to anyone who asks you to explain the hope you have in you 1 Peter 3:15. Have you ever felt like you've inherited lies in your faith? That something was missing and you needed more to grow in the grace as well as the knowledge of the Lord? Well, we did and this is our journey of how we, like Jeremiah tore down those lies and then replanted and built up a renewed covenant walk of faith in the Messiah of Israel. The book is written with reasoned Biblical responses to questions we have been asked and challenged with over the past 25 years. It is a unique tool for those questioning their Biblical heritage or needing an apologetic reference that explains to loved ones how you have not fallen from grace, but are wanting to walk as Yeshua/Jesus taught and as the chosen, redeemed, holy nation of people of God should. I am not a theologian, scholar or even affiliated with a brand name ministry or teachers. I and my husband are just believers in Yeshua as Messiah who desired to know Him and our Abba more deeply and the Spirit of God was faithful to teach us. Part One explores many of the misunderstood beliefs in historical Christianity: the new covenant, the problem in Galatia, the law vs. the Law, Peter's vision, and the timing of Jesus' birth. Part Two brings the shadows of Scripture into the reality of Yeshua's understanding to the unexplained Jewish festivals that leave holes in the pages of the New Testament. Part Three gives simple recipes, study guides and crafts to use when celebrating the Biblical holidays. I just finished your book. I loved it! It had some amazing and profound insights. Great job! D.
