

# Appalachian Trail in New Jersey Hiking Guide - Sunrise Mountain to NJ 23

Part of a series of hiking guides for the Appalachian Trail. These guides are broken down by sections to make it easier for you to plan your Appalachian Trail adventure. No big books to carry, no big bulky maps to unfold & fold. This 8.7 mile section of the Appalachian Trail takes hikers from Sunrise Mountain to High Point State Park. This part of the AT features two shelters and the views from Dutch Shoe Rock. There are other views located at various points from along the trail on this section. Look for our other great hiking guides!
