

# Algae Biofuels 101: Chapter 11-Washing, Quality Testing, and Trouble-Shooting Algae Biodiesel

The only book of its kind available anywhere. Chapter 11 explores washing, quality testing, and trouble shooting biodiesel problems. Contents include Why Wash Biodiesel? How to Build a Wash Tank Bubble Washing Biodiesel. Mist Washing Biodiesel. Mix Washing Biodiesel Dry Washing with Magnesol Titration of Oils Common First Batch Mistakes . Trouble Shooting: Emulsion Busting Quality Testing Biodiesel. Simple Wash Test. Visual Inspection of Biodiesel Testing for Cold Weather Properties. Initial Feedstock Testing Testing in a nutshell ASTM Testing Explained. Action Checklist Product Reviews: Your Making Algae Biodiesel at Home is a terrific document. Congratulations on probably the best collection of information anywhere on the topic. I have learned more from your e-book then spending \$6,000 going to the Algae World 2009 Conference in Rotterdam. I am a small farmer that is suffering from the Economic downturn and would not have had the finances to afford it at this time. I believe your work in research on algae and your willingness to share with us maybe at the center of new world wide wealth for the under privileged. The greatest aspect of your work is the empowering of the little people. You're making us aware we have other choices, we will no longer in bondage the big energy companies. You have demonstrated this is not complex. We can do this.
