

Fidelis follows the path of a man waking up in a broken world that is pockmarked from nuclear strikes and still coping with the lingering effects of a terrible disease. In discovering the new landscape of America, he discovers the equally new landscape of his own soul. Filled with adventure and warfare, as equally compelling is its attempt to explore concepts of truth, valor, manhood, and destiny. In Fidelis the crutches of society have collapsed. In this setting, the intangible characteristics that make the human race indomitable are permitted expression. Indeed, they are encouraged. Fidelis is the first book of seven in the Birth Pangs series by author A.R. Horvath.

Incredible Moments with the Savior, Advances in Understanding Human Performance: Neuroergonomics, Human Factors Design, and Special Populations (Advances in Human Factors and Ergonomics Series), Photochemical and Photobiological Reviews, vol. 6, Laing, Experiencing Jesus, Marvels & Mysteries of the Unexplained: An Imagination-Defying Exploration of our Worlds Strangest Secrets, The Works of the Most Reverend Dr. John Tillotson, Late Lord Archbishop of Canterbury, Vol. 4 of 10 (Classic Reprint), Perseverance, Sex, Blood, & the Mountains, Christological Anthropology in Historical Perspective: Ancient and Contemporary Approaches to Theological Anthropology,
