

Natasha was looking for a way to forget her ex-boyfriend. John wanted to permanently forget his ex-wife. Now, they had found each other. They just had to get out alive. Vampires came out of the undead closet fifteen years ago. John and Natasha came to the vampire bordello to forget who had hurt them the most. Now, they had found each other. But a promise of eternal love could sacrifice one of them to give the most precious gift of all, their life. Will they survive the night together? No one should ever underestimate love. Even vampires.
