

Winner Harris

Sam Harris was more than successful - he was a winner. With a beautiful wife, a country estate and a flourishing chain of nightclubs and casinos, he was the darling of the smart set. Then Winner Harris found he was onto a losing streak - accidents happened, friends deserted him, the money trickled away. Someone wanted him out of business - wanted it badly enough to commit murder and see that Winner Harris went inside for it. Five years later, Harris is out and looking for answers. But now the stakes are higher than ever - and with other lives at risk, Sam must prove that he is still WINNER HARRIS
