

Dueling Princes: The Calypso Chronicles, Book 3

Dating Britain's royal Prince Freddie has made Year Eleven at St. Augustines the best one so far for Calypso Kelly. Together with best friends Star and Georgina, and new chums Portia and Indie, LA-born Calypso at last seems to have everything she's dreamed of or does she? With the national fencing trials coming up, balancing school, friendships, and a royal romance is a lot harder than she imagined. Something will have to give, but what--or whom--will it be? Picking up where *Stealing Princes* left off, this funny, fast-paced third book chronicling the life and times of Calypso Kelly will not disappoint.
