

Without an Advocate in Court

You only need an advocate if you have a case to answer in court. In the spiritual aspects, we have all sinned, hence no question that we need an advocate. Christ is our advocate. But as an advocate, Christ will not be on your case forever. Either you are worth defending or you are not. Soon, He will declare to the Judge: I rest my case. The decision will forever be made. He will then declare: He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still (Revelation 22:11). Can stand the final verdict? Are you ready to stand before the heavenly Judge without an advocate? This book, written by a Christian advocate, provides biblical answers to these questions and is a great read in preparation for the time when Christ ceases His intercessory ministry in heaven.
