

## Change Agent

Growing up in a traditional religious system, Dan Moynihan struggled with the deep questions of life: If Jesus died on the cross for our sins, why do we have to pay for our sins in purgatory? Why do good people often suffer? Why was I born? What is my purpose? Are the Bible accounts, such as Adam and Eve, Noah's ark, and the resurrection of Jesus Christ, just stories or did they really happen? What does it really mean to be a Christian? Burdened by his unanswered questions, Moynihan miraculously survived a shipwreck in the Bering Sea, and that led to his relentless search for truth about God and the way He interacts with mankind. *Change Agent* tells the story about his pursuit of truth and how he became the person in his family line who changed its course from a lifeless religious tradition that could not provide answers to biblical Christianity.
