

THE COMPLETE FUNERAL PLANNING GUIDE INCLUDING CHECKLIST & MONEY SAVING SOLUTIONS

This is the only book you need to plan a funeral. You don't have the time or energy to read a long book right now. This is a user-friendly how-to guide to planning a funeral that will save you money, time, and stress, while still planning the dignified service you want. The Complete Funeral Planning Guide includes a comprehensive checklist and all the money saving solutions you will need before, during and after the funeral. Find out the best ways to save money while still having a quality funeral or memorial service. Most popular prayers and poems for funerals are included. Lists of most popular religious and non-religious songs for funerals are included. The Complete Funeral Planning Guide will help you stay organized, help you reach out to friends and family to be your planning advocates, and stay on track through all the decisions that must be made. You will be able to make these difficult decisions with the least stress possible and emerge at the end of the funeral, graceful and grateful that you know you have done the best possible job for your loved one. As you read through the checklist, you will see there are a number of money-saving choices at each step. The average American funeral costs over \$10,000. You can stage a perfectly respectful funeral for under \$2,000. Along with the checklist, there are also lists of resources which may help you make decisions, save money, or find help you didn't know was available. Diane Clark is a professional organizer and coach with more than 25 years experience in helping people through major life transitions.
