

Creeds for Aspiring Achievers

This book CREEDS FOR ASPIRING ACHIEVERS was written with the main thought of equipping young dreamers and readers to develop a positive mental attitude which is one of the most powerful and strategic ways of living. It was identified that most people do not succeed in life just because of the mere curable fact that they are suppressed by low self-esteem and this keeps them on the melancholic side of impassionate living. In this book you will discover thought provoking quotations, Biblical illustrations and passion filled motivations that are expected to guide you as an ASPIRING ACHIEVERS on their track to fulfillment. Each CREED in this book is meant to challenge you with faith, hope and enthusiasm that Yes, YOU CAN MAKE IT and why not?
