

Burial on a budget: How to avoid being ripped off by the Deathcare Industry

You're emotionally vulnerable, running out of time and aren't sure what to do next and the funeral companies know it. For a short time you can get this invaluable guide for just \$0.99. (Regularly priced at \$4.99). Read it on your PC, Mac, smart phone, tablet or Kindle device. It wasn't so long ago that the death of a loved one was very much a family affair. The men, women and children all had their tasks to perform and their deceased family member was laid to rest in whatever way was appropriate. It brought the family together, helped with closure and gave the children a better understanding of the life cycle. Today, as is so often the case, we pay other people to do all that stuff for us and we usually end up paying a lot more than we expected to. The big corporations that own the funeral companies run sales and training courses on how to maximise profits by taking advantage of your tragedy. That compassionate, smiling, person who is being so helpful to you is actually a salesperson. Like a used car salesperson or real estate agent. Save yourself a fortune by finding out about... How much a funeral should cost you How to save money on a coffin or casket The cross-selling techniques to watch out for How to pick a good funeral company How to entirely avoid funeral companies should you wish to do so. Download your copy today and be prepared for when the time comes.
