

Mind Controlled Sex Slaves and the CIA

UNIMAGINABLE RAPE, TORTURE AND BLOODY RITUALS. . . LEADING POLITICIANS INVOLVED IN CHILD ABUSE RINGS. . . U.S. PRESIDENTS AND VICE PRESIDENTS COMPLICIT. . . USE OF OCCULT AND SATANISM AS TRAUMA BASE . . . ANTI-CHRISTIAN NIGHT SERVICES AT CHRISTIAN CHURCHES. . . Plus Exposing The Mind Controlled Stepford Whores, as well as Human Sacrifices at Bohemian Grove Retreat . . . Indeed, what do Satanism, human trafficking, mind control experiments and child sex abuse have to do with the U.S. government? According to the testimony of experts and survivors, the CIA utilized all of these elements and more for their Top Secret Project Monarch, part of the MK-ULTRA mind control program. For reasons of National Security, dozens if not hundreds of people, many of them children, were allegedly subjected to unimaginable rape, torture, and bloody satanic rituals, with the aim of fracturing the human mind through trauma. This created multiple personalities that could then be programmed to perform specific tasks . . . Many of the purported victims say they were used to satisfy the sexual urges of the rich and powerful, even U.S. presidents. For these purposes, the CIA is said to have sought help from intergenerational cults, as well as child pornography and snuff film networks. As thousands of people were bought and sold on the underground sex market, our government supposedly looked the other way, seeing it not as an atrocity, but as an opportunity. Review:I nearly jumped out of my seat when I first read this book. I was never convinced of the stories surrounding the sex slave allegations that people like Cathy OBrien have been making. But now we hear from Mark Phillips, Cathy OBrien, Ted Gunderson, Noreen Gosch and Palela Freyd who tend to support these claims. Plus there is additional added material on

the Mind Control programs like MK Ultra by Commander X and Nick Redfern to really make this volume a must read for ALL conspiracy buffs. --Tim Beckley , editor Conspiracy Journal
