

Mental Silhouette is a collection of poetry from deep within the mind of author, spoken word artist and producer Renair Amin. In it she bares her soul, delving into the shades of her mental to convey the emotions felt at various times in her life, directly or indirectly. Anger, Love, Depression and Spirituality were often her best friends as she walked the path destined for her, leading up to the release of this compilation. There are times when a pen speaks that only a heart can listen; this is one of those times. Her desire is that Mental Silhouette will not only give the reader insight into the being that is Renair Amin, but also into the ink that flows through her veins.
