Hearts Of Stone & Rock Hard Cocks Make For A Tumultuous Combination 2 Bonus Books Included! Heat Up With This Hot Excerpt: Dalton sprawled his body ovetop of Chasidy, kissing the back of her neck and shoulder blades as he lay on her. She loved the crush of his mass, the heat of his wet skin bearing down on her, the drip of sweat drops beading down from his own body and sliding down hers. He began seductively massaging her shoulders, easing up the tension in her limbs, all the while pecking her repeatedly on the neck. As though just happening to do so while he was at it he unhooked her bra from the back, sliding the straps halfway down her torso, and continued massaging her shoulders for a while. Eventually he raised himself up enough for her to roll over, the bra still covering her modesty by the aid of gravity alone. She gave him a coy smile, and slid it down just enough to avoid revealing her nipples.
