

How to REad the Church Fathers (How to S)

This latest addition to the How to Read series provides a basic introduction to the faith, life and thought of the great theological pioneers from the first centuries of the church: Ignatius of Antioch, Irenaeus of Lyons, Origen, Gregory of Nyssa, Hilary of Poitiers, Augustine of Hippo and many others. Like its companion volumes it contains texts, maps, chronological charts and illustrations, and is a highly attractive introduction to an important and often neglected subject. Adalbert Hamman is a Franciscan, a patristic specialist who teaches in Rome and has pioneered in setting up groups all over France to study the church fathers.
