

Via Francigena: Practical Tips for Walking the Italian Camino (Practical Travel Tips)

Dozens of practical tips and over 120 photos and maps for walking the scenic Via Francigena (The Italian Camino), the pilgrimage walk to Rome. The e-book includes advice on what to take, lodging, and food. Included, too, is information on the various routes, both marked and unmarked. The photos show the different types of lodging as well as signs and maps, backpacks, trekking poles, the terrain along the way, cathedrals and other points of interest. It is the book you definitely should read BEFORE you go. It is the only book of its kind: a compendium of practical tips for Italy's beautiful Camino.
