

Electus (The Divine Conduits Book 1)

Nestled between treacherous Lake Arduou and the monster-infested Cimmerian Forest exists a small village Enoch has always called home. In Enochs world, the Creator bestows supernatural powers called Blessings upon certain individuals. Enoch is exceptionally Blessed, for he can manipulate the Elements Air, Fire, Water, and Earth. However, when the orphaned boy inadvertently reduces his childhood home to a pile of ash he is exiled to the woods he was told never to enter. After barely surviving his first night in the wild, Enoch is informed that he has been chosen by the Creator to stop the Cardinal from kidnapping other Blessed individuals and forming an army against the Goddess. Will Enoch and his newfound friends prevail over the Cardinal and the Darkness, or will they become just as corrupted as the Cursed?
