

Overcome the enemy's assault against you and your family's health! The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full. (John 10:10) Is a good diet really that important? Is healthy living just a fad—or is it a vital key that protects you from the devil's end-time assault? Steve Wohlberg delivers a prophetic health “survival guide” that will equip you for victory in these last days. In this timely book, you will... Learn... how toxins, additives, chemicals and junk food are strategies of spiritual warfare aimed against the body of Christ Discover... simple secrets such as good diet, sunlight, water and exercise that overcome demonic attacks against your health Be equipped... to have the winning edge against the tactics satan uses to “steal, kill, and destroy” your health and the health of your family. Your body is the temple of the Holy Spirit. The devil knows this, and it terrifies him. This is why his attack is so stealth and so lethal. It's time to take back your health, and the health of those you care about as you walk in victory over the enemy in this end-time health battle.
