Research on Experiment Data Test System for Switchgear - IEEE In the application of acoustic emission (AE) technology, operating frequency and sensitivity of sensor has a decisive role in the results of AE test, and A. **World Congress on Medical Physics and Biomedical Engineering - Google Books Result** Published in: Bioinformatics and Biomedical Engineering (iCBBE), 2010 4th International Conference on Basic Search Author Search Publication Search working in the general culture box, and we will test it with biological experiment in future. Applic. in Complicated Ind. Syst., Tianjin Univ. of Technol., Tianjin, China. **Experimental Analysis on Sound Sources of Calibrating Acoustic** The experimental result shows that the quality of translation in target basis of linguistics phenomena and English-Chinese machine translation as the research **World Congress on Medical Physics and Biomedical Engineering May - Google Books Result** **Development and experiment of an underwater vehicle test-bed** The systematic effects from many active ingredients in Chinese medicine The active sites were screened with the experiments of isolated frog heart and aorta Published in: Bioinformatics and Biomedical Engineering (iCBBE), 2010 4th International Conference on Basic Search Author Search Publication Search. **A Dual-Frequency Loading Device for Tissue Engineering Cartilage** The leaching test on all the melted slag samples showed that the fly ashes were limits toxicity characteristic leaching procedure (TCLP) in China and United States. Published in: Bioinformatics and Biomedical Engineering (iCBBE), 2010 4th International Conference on Basic Search Author Search Publication Search. **Evolutionary Algorithm Based Radial Basis Function Neural Network** Based on the small-scale experimental study, a horizontal cross-flow packed This paper provides a basis for designing a pilot plant for flue gas Key Laboratory of Industrial Ecology and Environmental Engineering (MOE), School of Environmental Science and Technology, Dalian University of Technology, China. **Experimental Study and Characterization of Diesel PM Pollution of** Furthermore, experimental tests were carried out to study the combustion performances and emissions of a

four-cylinder direct Published in: Bioinformatics and Biomedical Engineering , 2009. Basic Search Author Search Publication Search Sch. of Traffic & Vehicle Eng., Shandong Univ. of Technol., Zibo, China. **Identifying type of maize with terahertz time-domain spectroscopy** Cerebral hemorrhage CT image retrieval experiments show that the algorithm is efficient. Published in: Biomedical Engineering and Informatics (BMEI), 2010 3rd . School of Testing and optical Engineering, NanChang Hangkong University, NCHU, Engineering, Southern Medical University, SMU, Guangzhou, China **Experimental Basis and Simulation Methodology for Fuel Cell Fed** Through simulation studies and preliminary experimental tests, a pulse optimized . China, in 2002, 2005, and 2011, respectively, all in electrical engineering. **Notice of Retraction The experimental and practical teaching system** The engineering characteristics of recycled material made of waste concrete debris few scholars with method of chloride ion electric migration fast test (IEMFT)[1-7]. comprehensive basis for the application of recycled concrete in engineering. . Ministry of Education, University of Science and Technology Beijing, China. **Optimal scale of the rural fiscal expenditure based on economic** State-of-the-art of oily water treatment and basic working principle of spiral tube Laboratory testing system and facility are described. By experimental study, effect of flow rate and gyration radius on both separation Published in: Bioinformatics and Biomedical Engineering (iCBBE), 2010 4th Inst., Daqing, China. **Experimental Study on the Dynamic Resistance of the Electric-Bag** Published in: Bioinformatics and Biomedical Engineering (iCBBE), 2010 4th International . Filter Test Center of NEU, Northeastern Univ., Shenyang, China. **Design and performance test of a scaled-up device for flue gas** Experimental results for three continuous test functions show that the algorithm has the best Published in: Bioinformatics and Biomedical Engineering , 2009. **Multi-Objective Optimization Research for Effective Constituents of** Research on Uniqueness of Polymorphism in Regression Testing Published in: Information Engineering and Computer Science (ICIECS), Practical change impact analysis based on static program slicing for industrial . experiments show that the unique of Polymorphism provide the basis data Univ., Beijing, China. **An Experimental Study on a New Type Joints of Steel Tube** BioMedical Engineering OnLine is an open access, peer-reviewed journal that is There are biomedical engineers in countries throughout the world, and the Chinas 13th five-year plan offers opportunities in biomedical engineering and experimental studies that examine the abnormalities (functional or structural, static **Study on Database System about Emotional Diseases Caused by** Published in: Bioinformatics and Biomedical Engineering (iCBBE), 2010 4th International Conference on. Article #:. Date of Search. Basic Search Author Search Publication Search Automobile Test Inst., China Automotive Technol. & Res. **Study on influence of capsule shape on nonlinear stiffness** This experiment can be the basis of identifying maize seed with terahertz technique. Published in: Biomedical Engineering and Informatics (BMEI), 2010 3rd International Department of Physics, Capital Normal University, Beijing, China. **Development and Simulation of a Compact Picosecond Pulse** Electrical apparatus test is an important issue for product inspection and new product development. Experiment data acquisition system and measurement data processing software are designed Basic Search Author Search Publication Search Hebei University of Science & Technology, Shijiazhuang 050018, China **Notice of Retraction The Chinese Revised Edition of Wender Utah** On the basis of the test results, the new type joints are further modified and have been Management, Innovation Management and Industrial Engineering, 2008. concrete columns is vital to popularize steel tube confined concrete in China. **Experimental Analysis of Heavy Metals Behavior during Melting** Biomedical Engineering, Tsinghua University, Beijing, China M. Long (Ed.): Eleven Chinese college students participated in both the psychoacoustic experiment FFR has also been found to reveal the neural basis of the difference in pitch By testing normal hearing people and evaluating their pitch perception ability **Performance Study of De-Oiling Spiral Tube Separators - IEEE Xplore** Experimental Basis and Simulation Methodology for Fuel Cell Fed For tests of the complete system of alternative energies for power injection into the electric **Notice of Retraction Research on Uniqueness of Polymorphism in** Published in: Bioinformatics and Biomedical Engineering, (iCBBE) 2011 5th evaluate Test-retest Reliability of the Chinese version of the 25-item Wender Utah **BioMedical Engineering OnLine Home page** And on the basis of hydrodynamic analysis of the thrusters, the dynamical The motion control experiment of the AUV test-bed is performed in pool. . College of Mechanical and Electrical Engineering, Harbin Engineering University, China. **Experimental Investigations on Combustion and Emission of Diesel** On the basis of existing literature review, this paper employs Barro rule and Karrass framework, investigates the optimal scale of rural fiscal expenditure in China. The result of experimental analysis indicates, although the overall scale of rural After the stationary test and cointegration test to time series variables, the
