

# What Every Christian Should Know About Islam: A Primer on the Muslim Faith from a Biblical Worldview

The events of 9/11 thrust the religion of Muhammad into American consciousness and evoked responses ranging from the demonization of all Muslims to the excuse that terrorists had hijacked Islam. Neither reaction is grounded in truth. The worlds 1.6 billion Muslims are precious people for whom Christ died. At the same time, Islam is a dangerous false religion that enslaves people and strives for world domination. What Every Christian Should Know About Islam offers a brief overview of this 1400-year-old religion and seeks to answer key questions about Islam from a Biblical perspective.
