

Feather and Firesnake: The Maat of Kundalini

In the early 1990s Dr. Julijan Naskov of Macedonia asked Nema to write a series of lectures for presentation at the Academy of New Age Spiritual Sciences. Nema and Dr. Naskov agreed that Kundalini and its application in Maat Magick would be an apt topic for intermediate or advanced students. The 10 lectures and practical exercises which compose the main body of this book are the result of this exchange. Information on the Chakras and the Forgotten Ones is included in these lectures as is a series of guided meditations. A concluding chapter titled Additional Manuscripts includes: NAton and I, Maat Magick & Chaos Magick, Magick For Fools, and Magickal Healing in Theory and Practice.
