I have to hide you. Those words, spoken by his mother, changed Jeremiah's life forever. On that windy night, she hid her son successfully from whatever invisible force threatened. The terrified youth watched his mother and father murdered by a mysterious man in a hooded robe, who referred to his mother as witch. Nothing would ever be the same again. Lost and alone, Jeremiah wanders, searching for meaning behind his parents' untimely deaths. What was his mother afraid of? Why was it important for Jeremiah to hide? The arrival of a beautiful stranger does little to clear the fog, as she explains Jeremiah is part of an ancient prophecy—a prophecy his mother died trying to protect.

Now, Jeremiah and his strange new friend must set out on a life-changing journey. They must gather the other children of the prophecy in order to save the world from an evil force threatening to conquer all that is good. Jeremiah will have to travel much further than he can imagine—into the past to find a woman who holds the key to the prophecy and Jeremiah's family secret. His destiny was foreseen long before his birth, but only time will tell if he will be able to stop a powerful enemy, hell-bent on ruling the world.
