

# Crisis Intervention and Crisis Management: Strategies that Work in Schools and Communities

This book discusses steps helping professionals should take in order to prepare for a crisis in their schools and community. The author introduces a Crisis Management Plan, which discusses ways to restore a school/community to its pre-crisis equilibrium. The author also includes information on how schools should talk to media personnel and parents in times of a crisis, checklists, assessment instruments, and sample documentation forms that can be used in times of a crisis.
