

Freak

Being a lower-class human born into a world where vampires rule sucks. No matter how hard Juniper Rayne tries to fit in, she's labeled a freak. When her dad signs the family up to take part in a reality television show, Juniper hopes that it'll give her the edge she needs to shed her freak label. Unfortunately for Juniper, vampires aren't that accepting. She decides to take control of her life and become a vampire hunter, instead of continuing to live in her own personal hell any longer. She will regain control or die trying.
