

Moving to a new town was difficult enough, but that was only the beginning of what life had in store for Kelly Watson. Soon, a strange connection to her old family home led her down a path riddled with family secrets and mystery. Now, Kelly and her friend, Emma Cathcart, are faced with more questions. As the two friends come to terms with their psychic abilities, they will have to learn to work as a team to find the answers that they seek. Others may not be so keen on revealing what they know and some of what they uncover may lead to even more mysteries as time goes on. Can Kelly and Emma solve these mysteries or are some secrets too much for them to bear?
