

## Three Days and Nights to Glory

Deus absconditus Why does God hide Himself? is asked at times, not only by atheists or agnostics seeking to cast doubt on Gods existence, but also by believers seeking a personal experience with God. What happened during the three days and three nights Jesus was in the tomb? What did He do? What do we as Orthodox Christians believe about the Godhead? Is the word Trinity used in the Bible? What do words like Divinity mean? What do we mean when we say; Jesus is of the same essence as the Father and Holy Spirit? What ministries did Jesus perform? Whatever happened to sin? What is a Theophany? What is meant by the term hypostatic union? What are the divine attributes assigned to Christ? Sola scriptura Mankinds understanding of God is not based on speculation or philosophical principles, but on revelation of the Word of God.
