

## Grannies Investigate The Tunnel of Death (Grannies series Book 2)

The grannies--Diane, Trixie and Cheryl--find themselves neck-deep in mayhem when Trixie's cousin, Joe, is accused of murdering his gypsy wife, Fatima. She is found in the churning surf below Joe's five-acre estate on beautiful Belvedere island, just across the Golden Gate from San Francisco. Wealthy and powerful residents are killing mad over Joe's idea to bore a tunnel through the middle of the island for fire and traffic control. Kidnappings, snake bites, mob threats, and grand-kids moving in unexpectedly don't deter Diane, Trixie and Cheryl from exposing the killer in this mystery thriller.
