

Happily Ever After: A Cuckolding Bundle

This three story, 14,000 word, cuckolding bundle has everything you'll need to satisfy your cuckolding fantasies: Submissive men, alpha bulls, hot wives, chastity devices, cream pies, and fluffing. It is only intended for adults that enjoy cuckolding.

Story One: Brandon and Rebecca's marriage is perfect in all aspects except one. Rebecca loves black men and that's something that Brandon just cannot provide for her. Rebecca decides she's going to go out with Rodney, a sexy black man, and if Brandon is a good boy while she's out maybe he'll get to watch them get it on right in front of him!

Story Two: After twelve years of marriage, Loraine lets a bomb drop in couples therapy: she's no longer attracted to Jason, and she wants to bring other men into their relationship. After careful consideration, their therapist Dr. Payne agrees - but how far is he willing to go to make sure Lorraine is satisfied?

Story Three: Patricia has a set of rules for her husband to be a good cuckold. In order to please his wife, he must follow the rules and obey her. Ronald gets a taste of their new friend Tim as Patricia orders Ronald to get him ready to give her the ride of her life. If Ronald follows all of the rules he will get what he wants more than anything; his wife's approval.
