

## 7 Things You Need to Change to Change your Life: MINDS UP

Lifes challenges always has its way of bringing us to a crossroad. Youve landed, center stage, making the decision to continue in the direction that leads you once again into a brick wall, or choosing an unfamiliar path leading to a renewed life. If its one thing that humans are known to despise, its change. Change seems to ignite the fight or flight mental muscles that give you a power boost, running the wrong way.

What would it take to demolish those barriers and send them tumbling down? YOU! It requires you to make some changes if you really want to see a change. This guide will give 7 things you need to change to change your life, allowing you to live on fire by desire, rather than disaster by default.
