High Pressure the Executioner: Hammer-Axe Six!

In central Africa, all seems well in the House of Ra, until a top Warlord finds his three daughters beheaded. Queen Ramala and three of her children have barely escaped a kidnapping by Warlords who believe the cunning Queen is the murderer. The Queens cousin, Tara, has not been so lucky. Kidnapped by Warlords, her life now hangs in the balance. But all is not lost as the Queens six children and their cousin prepare to spring into action. La, Dan, Shaya, Don, Ram, Danaaa, and Yin have just transformed into the Hammer-Axe Six. Danaaa, a child prodigy and the youngest of the six children, takes her inherited fighting skills to outstanding levels. Danaaa is not exactly street-smart, but she is an expert at protocol. Because of her uncanny ability to swing an ax with lightning-fast accuracy, Danaaa becomes known as High Pressure Executioner-and it is not long before her siblings take advantage of her skills in order to gain power. In this fantasy novel, as the Hammer-Axe Six begin their quest to find Tara and seek retribution for the murders, Danaaa embarks on a dangerous path that leads to the realization that sometimes even her trusty ax cannot save her from evil.
