

Sobriety is High to ME

This book is about my transformation from a life/deathstyle of addiction to a life full of energy and excitement. This book will help you with addiction for any sub-stance but the focus is specifically on marijuana addiction. Everything you need to know to quit your addiction and live a new lifestyle is covered in this book. From my addiction story, tips for quitting, positive affirmations, and loads of information on how one can become free from their addiction, this book covers it all. If you truly implement the knowledge in this book you can change your entire life. After reading this book you will be ready to live free from addiction and you will truly be high off life. Then you can finally say Sobriety is High to ME. ThankYOU
