

## Inner Healing for Holes in the Soul

In her greatly anticipated *Holes in the Soul*, Dr. Betty Mitchell pulls the covers off of the hidden sexual and incestuous abuse that has long been a secret and thus, a powerful weapon in the hand of Satan against the body of Christ. She exposes with succinct clarity the devastating effects of this abuse and shows the step by step road to recovery for both its victims, survivors and perpetrators. Thousands upon thousands have been emotionally damaged, scarred, battered and broken through all types of abusive situations and circumstances. Many (over 50% of the Body of Christ) have been emotionally damaged by divorce. Others have been emotionally damaged as a result of sexual abuse, incest, death, the abandonment of a parent, the betrayal of a friend, church offense, rejection and many other unresolved and unmet issues of life. This book will allow you to see and work through each of these areas in a clear and concise manner. It is a must read for every church leader and minister of the gospel of Christ who has a burden to effectively minister to the people of God.
