

For the simple fact that you have this one book, I can assure you that your life will never remain the same. I have made each chapter as brief as possible just to encourage you to finish it in no time and be able to revisit them from time to time. I also included 4 new bonus chapters of my upcoming book DISCOVER YOUR LIFE, Volume II, www.johnbassey.org. In this book, you will get insight of some practical steps to a lasting relationship with God. My encounter with Jesus will unveil the simple things that will help you get to where God wants you. I have heard about ordinary people having supernatural encounters with God and I always wondered, why not me? After all, I have a relationship with God too. Little did I know that I needed to do things a little differently to have such a special one-to-one encounter with Jesus besides being born-again. This book has very short chapters, I want you to take your time to read through them all and believe God for something new in your relationship with Him. May the Lord’s counsel concerning you stand! Amen in Jesus name, Amen!
