

What To Do When Feeling Blue is a book written especially for women who are trying to beat depression. In this book you will learn Five Quick Things You Can Do to Start Feeling Better and 100 Ways to Beat Depression. The ideas range from simple things like inhaling essential oils to boost your mood to repeating affirmations to make yourself feel better. Rebecca Johnson created this book during a time when she was going through depression. Now she finds joy in life and is free of depression. The ideas in this book could also work for you. By reading this book you will increase your life satisfaction and also make other people happy too. Rebecca Johnson, M.Ed. has appeared in The Wall Street Journal and Los Angeles Times. She created The Rebecca Review and a website called Seasoned with Love. She has posted over 4,000 reviews at amazon.com. Her writing can be found at hundreds of websites.
