

Powerful Personal Development in 12 Minutes a Day: How to Add What is Lacking in a Few Minutes Each Day (Success Essentials for Busy People)

You are busy, but you also want to more fully develop your skills, knowledge, positivity, and thinking abilities. You realize that what Warren Buffett said is true, The best investment anyone can make is in themselves. You have seen that if you want to improve your life, relationships, work, or your legacy you need to add to what you already have. You do not want to stay where you are, you want to go higher and farther. You can only give what you have; not what you want to have, so you are dedicated to being the best you can be. So how do you add to what is lacking when you do not have a lot of free time? In Powerful Personal Development in 12 Minutes a Day you will learn powerful, proven, but simple steps you can take to grow and develop. Each chapter is short and to the point, but still provides inspiration and practical steps you can immediately implement to see quick results.
