

## My Best Friends Girl (plus: Love Me)

By the author, Melanie Marks. Melanie's newest book is: LOVE LIAM Tate: Okay, I have a thing for my best friend's girlfriend, Anna. I always have. So I avoid Anna. Like she's the flipping plague. So, of course, she thinks I hate her. She complains I won't even look at her but that's because if I do, I'll stare at her. Never stop. Ever. So, it's better this way, thinking I hate her. Problem solved, right? Well, you would think so. But then, my best friend, Sawyer, catches me staring at her. His intentions are good, but his proposal is well, it's going to get me in trouble. Because I like Anna. A lot more than he thinks. So, her kissing me for my birthday? (oh that's his proposal, by the way) if he talks her into it. Maaan, this can NOT end well. Cause I want to kiss the girl blind. Anna: My boyfriend, Sawyer, wants me to kiss his best friend, Tate as a gift to Tate. A birthday gift. Not going to lie, I've always been uncomfortably drawn to Tate. Always. But Tate avoids me. At all costs. I'm pretty sure Tate hates me with a fiery passion. I mean, Tate won't even look at me, and will LEAVE a place, rather than hang out if I'm near. So the request is unusual. To say the least. Especially because Tate is a GIRL. (And, you know, I'M a girl with a boyfriend.) But Tate is kind of like a boy. A really, really cute dreamy one. One I think about wayyy more than I should. So, a kiss? Hmmm. Teen romance (About a three-hour read) My Best Friends Girl is by the authors: Melanie Marks, Yolanda Love and Rachel Kiss. Note: My Best Friends Girl is based off Melanie Marks' book: Fall For Me. It is a twist on that series. (Parts of those books are used in this book.) No book needs to be read before or after this book. Standalone teen romance. This book also contains a story by Yolanda Love and Melanie Marks. It's called: LOVE ME (which is an hour read) Summary of LOVE ME: It started out with Lexi just wanting to help her heartbroken friend, Carly. That was it.

Carly had a thing for this hot bad-boy at their high school, Ryan. And, well, Lexi had an in with Ryana bittersweet past. (AKA: she had been his very first girlfriend.) So, Lexi asked Ryan for a favor: spend time with her fragile friend, Carly. Ryan finally accepted but only on one condition: in return, Lexi has to spend time with HIM. The problem is: theres this thing with Lexis heart. Its apparently not over Ryan. Melanie Marks Newest book is: LOVE LIAM And: Smokin Hot (Accidental) Kiss
